**1. PRACTICE FOCUS – FINANCIAL**

A major part of our activity involves the assessment and calculation of Business Interruption losses. Led by Shun Chong FCA our Financial Practice handles UK, multi-national claims and also provides expert witness support to parties in litigation.

We had considerable activity in Covid BI claims and Paul May took part in a panel discussion on Covid BI hosted by [Insurance Age & Post online discu \(concordiaconsultancy.com\)](#)

As we enter our 20<sup>th</sup> year of operation, I would like to thank our clients, Associates and friends for your support and encouragement.

We have stayed true to our aim of providing quality service focussed on achieving our clients' objectives.

Our very extensive Global Network enables us to respond rapidly and with experienced local representation.

We are always available to discuss or evaluate a problem and to provide a written Proposal. Please feel free to contact us at: [info@concordiaconsultancy.com](mailto:info@concordiaconsultancy.com)

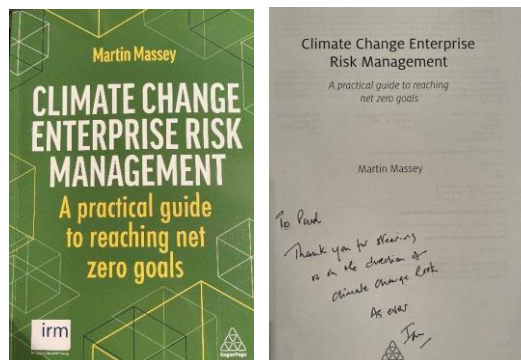

### 4. CONCORDIA ARTICLES

#### Current Threats to Insurers and Reinsurers

In June, Paul was privileged to deliver a talk to the [High Premium Group](#) of individual Lloyd's Names. The brief was to challenge current thinking and identify Threats to Insurers and Reinsurers. The speaking notes from Paul's talk are [here](#). Paul's issues included: drones; extinction rebellion; corporate elites; and over – reliance by insurers on solicitors.

#### Climate Change Enterprise Risk Management

Congratulations to the Institute of Risk Management (IRM) for the production of the new book Climate Change Enterprise Risk Management. It is great to see the way the IRM is progressing with this fundamentally important issue. We are especially grateful for the kind words that Dr Ian Livsey, IRM's CEO has written to Paul. *To Paul, Thank you for steering us in the direction of Climate Change Risk, As ever Ian.*

The book can be purchased at [koganpage.com](http://koganpage.com) with 25% off – Discount Code: IRMCLIMATE25

## 5. NEWS AND EVENTS

### 1. UKRAINE

We are working with our Associate in Ukraine, Business Assist Ltd, on property damage assessment and an Assessment Protocol for insurance claims and reparations.

Alexei Mukhin the M.D of Business Assist is participating in damage evaluation of the world's largest plane, the Antonov AN-225 Mriya, which was destroyed during the Russian invasion.

### 2. AIRMIC

It has been great to return to face – to – face events. We attended Airmic conferences in Brighton and Liverpool and met many old friends and new contacts

### 3. TUI HIGH COURT CASE re 2015 TUNISIA FATAL ATTACK

In relation to the tragic 2015 terrorist attack on TUI package tourists in Tunisia which led to 30 fatalities, Concordia provided Expert Witness evidence and support in the High Court civil action, in the areas of **Corporate Enterprise Risk Assessment and Risk Management**. A settlement was achieved prior to trial [click here](#).

### 4. CIR RISK MANAGEMENT AWARDS

Paul was honoured to present a prize at the 12<sup>th</sup> CIR Risk Management Awards.

## 6. GIVING AND SUPPORT

During the last year or so we have remained mindful of the needs of others and have supported the following charities:

St Giles  [Home - St Giles \(stgilestrust.org.uk\)](https://stgilestrust.org.uk)

Running the London Marathon

Cycling the Ride London 100-mile Essex

The Cardinal Hume Centre
