3. INTERIM REPORT

The Covid pandemic continues to cause loss of life, economic destruction and disruption of social and business life. Hybrid working, for a long time the basis for most loss adjusters and consultants, is here to stay. Team working, brainstorming, mentoring and training are though priorities for face-to-face meetings. We continue to use Zoom, Team and WebEx, but look forward to increasing our social and case related meetings over the coming months.

4. CONCORDIA ARTICLES

Climate Watch

More than ever, climate change is having a profound effect on the insurance industry, with new challenges and opportunities arising. Concordia is pleased to launch *Climate Watch* - a series of articles evaluating the key environmental issues and the implications for Insurers and Policyholders. These articles will be issued in the run up to the 26th UN Climate Change Conference of the Parties (COP26) in Glasgow on 1-12 November 2021. Concordia hopes to attend and participate in the discussing of these key issues at the event.

Please contact us at info@concordiaconsultancy.com should you wish to receive all articles published by Concordia.

Institute of Risk Management Risk Predictions 2021 - Climate Change and Flood

Paul May took part in the IRM Risk Predictions 2021, where he explored the theme of Climate Change and Flood.

5. NEWS AND EVENTS

Graham Purdon

It is with great sadness that we announce the death of Graham Purdon.

Our friend and colleague passed away on Friday 12th March after a short and heroic battle with cancer. Graham was highly respected by both clients and colleagues and will be missed immensely by all those who had the pleasure of knowing him. Graham’s last days were made peaceful and comfortable at the Assisi Hospice.

Rather than flowers, Graham’s family has asked that anyone that wishes to could send a donation in Graham’s memory to: [Assisi Hospice](#)

Sri Lanka Insurance Institute - Remote Lecture

On 18th March, Paul presented a seminar via Zoom for the members of the SLII on: Property and Liability claims from a Loss Adjuster’s perspective. Topics covered include; Role of the Loss Adjuster; Importance of Relationships; Importance of early access to info; Procedural and Reporting Recommendations; Role of Technology; need for more co-operation between Insurers, Brokers and the Sri Lanka Association of Loss Adjusters ideally through a Joint Claims Group. The event was successful with 80 attendees from all sections of the market in Colombo.

If you would like to further information about our Sri Lanka company, Concordia Consultancy South Asia (Pte) Ltd, please contact: anne.bastianpulle@concordiaconsultancy.com or Rani.Perera@concordiaconsultancy.com.

6. GIVING AND SUPPORT

Concordia has continued to support St Giles Trust, a charity dedicated to help break the cycle of prison, crime and disadvantage and create safer communities by supporting people to change their lives.

Paul May raised £ £3,777.50 for St Giles Trust when he ran the London Marathon on 4th October 2020.

Paul will be taking part in the London Marathon 2021 in October running again for St Giles Trust.
